DIRECTIONS: Blend, shake, or briskly stir two scoops (51 g) into 8-12 oz chilled water and consume once or twice daily (two servings maximum per day), or as directed by your healthcare practitioner. Adjust amount of water to desired sweetness and thickness.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

BrainSustain™, developed by David Perlmutter, MD, FACN, board-certified neurologist and internationally recognized leader in nutritional neurology, represents more than 30 years of neuroscience research. Designed to address brain health, structure, and function, BrainSustain contains a variety of nutrients and cofactors that support mitochondrial energy production, antioxidant systems, neurotransmitter production, and cell membrane integrity.*

BrainSustain features VegaPro™, XYMOGEN's proprietary pea/rice protein blend; Aminogen®, to facilitate protein absorption; and activated B vitamins such as riboflavin 5'-phosphate (B2), pyridoxal 5'-phosphate (B6), 5-methyltetrahydrofolate (folate), and methylcobalamin (B12). 5-methyltetrahydrofolate (5-MTHF) is provided as Quatrefolic®†, a stable, bioavailable form of folate.*

Two scoops of BrainSustain powder provide the same amount of N-acetyl-cysteine, phosphatidylserine, acetyl-L-carnitine, alpha-lipoic acid, coenzyme Q10, and glucoraphanin (SGS™) as eight capsules of XYMOGEN's NeuroActives™ BrainSustain™.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy protein, dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, or artificial sweeteners.
