DIRECTIONS: Take one capsule two times per day, or as directed by your healthcare practitioner.

RegeneMax™ provides ch-OSA® (choline-stabilized orthosilicic acid), that helps naturally nourish your body's beauty proteins.† Regular orthosilicic acid is highly unstable, leading it to form polymers. These polymers are too large for the human body to absorb. But the patented "choline stabilization" technology in RegeneMax prevents the polymers from forming, ensuring optimal absorption. RegeneMax has been formulated with clinically proven ch-OSA for your assurance.†

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

CAUTIONS: Consult your healthcare practitioner before use, especially if you have or suspect you have a medical condition, are taking prescription drugs, or are pregnant or lactating. Keep out of reach of children. Avoid if allergic to any ingredient.

STORAGE: Store in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
